We produce quality products that you
would be proud to call your own.

OUR HISTORY

Ott Food Products was established in 1947 by Walter Ott. We continue as a family business still producing Walter's Original Famous Dressing.

We have 25 YEARS OF PRODUCING QUALITY private label products for big and small customers.

OUR COMPANY

Ott's provides millions of gallons of sauces for our partners throughout the United States. Our Quality Control Department ensures that we provide the best product possible. Our Research & Development Department partners with private label clients, helping to expand their customer base through finding great new formulas and flavors.

PRODUCTION

Our manufacturing capabilities include filling 1.5 oz. to 2.0 oz. portion cups, 16 oz. bottles, 128 oz. gallons and 320 gallon collapsible totes.

**Versatility. Quality.
Tradition.**

LOCATION

Ott's is located in the logistical center of the United States offering the great distribution benefits of the Midwest. This means access to numerous major truck terminals within a 60 mile radius, quicker delivery times and reduced shipping charges for our partners. AMERICOLD, a large underground storage facility for both dry and refrigerated products is also located in Carthage.
